# Graduate Training & Study Programme

At Fiduchi we aim to be inspiring in everything we do. We are a firm believer that continual learning is integral to delivering inspiring bespoke solutions to our clients, which is why we offer a Graduate Training & Study Programme. The programme is designed to support individuals looking to start or further progress their career in finance whilst studying towards an ACCA, ICSA, STEP or similar professional qualification.

## Key Benefits of the Programme

Structured **5-year training programme**.

**Fully-funded study programme** which includes: fees, travel & expenses\*

**12-month intense training period at Fiduchi** supported by a team of experienced Administrators, Managers and Directors.

**12 months of study towards Post-graduate qualification** (flexible longer study period also available).

**Clear career progression route** from Trainee to Manager.

**Flexible off-island study leave.**

**Great package and benefits.**

Training in each of the Fiduchi service areas including - **Private Wealth, Corporate Services & Yacht Services.**

All the **benefits of working for family-friendly professional company.**

\*Subject to Terms & Conditions.

If you're a talented graduate who possesses a 2:2 degree or equivalent, we want to hear from you.

### MORE ABOUT FIDUCHI

Fiduchi is an independent multidisciplinary financial services business. We place a great deal of importance in attracting the right people to join the Fiduchi team. In return we offer great 'family-friendly' working packages and benefits to support you and your study programme.
