Aviation Services

Fiduchi manages many corporate and fiscal responsibilities of aircraft ownership and operation. We understand the complexity and specialised nature of the aviation sector and will work to ensure your requirements are met through the creation and effective administration of bespoke structures.

Whether you are seeking to acquire an aircraft for private, business or commercial purposes, we can offer you and your advisors a comprehensive suite of services, that include:

Aviation ownership structure and Administration:

- > Establishment and administration of ownership structures in the appropriate jurisdiction;
- > Effective management and corporate governance;
- > Compliance with legal and regulatory requirements for the owning company; and
- > Coordinating the appointment of the Aircraft Manager for flight operations, commercial and compliance services.

Aviation VAT & Tax:

- > VAT and customs compliance reporting and support (in conjunction with tax advisors where relevant);
- > Financial reporting (to include financial, management and VAT); and
- > Facilitating export and import.

Aviation Registration and operational support:

- > Multi-jurisdictional aircraft registration services;
- > Finance and Insurance;
- > Flight crew employment and payroll; and
- > Flight crew debit cards.
