

Fiduchi clients appreciate our 'trusted' approach. We take care of the detail so that our clients can enjoy what matters to them.

Private Trust Company - Typical Jersey Structures

Typical Jersey PTC structure

Purpose Trust usually with Fiduchi acting as Trustee and UBO/trusted advisor acting as Enforcer. Sole purpose of the trust is to hold shares in PTC. Alternatively, a charitable trust may be used, but if so, care must be taken to ensure the trust is genuinely charitable.

Terms can be very bespoke, Client can provide Enforcer.

Private Trust Company. Must be 'administered' by Fiduchi, composition of the board may be structured to suit the client's preference, it is strongly recommended Fiduchi have representation on the board to provide trustee expertise.

Sole trustee is usually the PTC. Terms of trust deed can be constructed in any manner.

Jersey PTC structure with UBO control

UBO directly holding shares in PTC. Care must be taken with respect to concerns over estate planning. Shares in Jersey companies form part of UBO's Jersey estate and must enter Jersey probate upon death. UBO must be clear on who will inherit and on the suitability of the individual to whom the shares will devolve upon UBO's death.

Private Trust Company. Structure will be same as for typical. Must be 'administered' by Fiduchi, but composition of board can be structured in any way. Care must be taken regarding use of any directors resident in an unfavourable jurisdictions.

Sole trustee is usually the PTC. Terms of trust deed can be constructed in any manner.

Jersey PTC structure with Jersey Foundation control

A foundation can be established with the sole object of holding the PTC shares. A foundation can exist in perpetuity and is not owned by anyone, so probate issues do not apply. Control is exercised by the Council (one of whom must be Fiduchi). Each Foundation also has a Guardian who ensures that the Council acts in accordance with settlor-approved objects/charter. Incorporated entity. Managed by strict adherence to its charter.

As per typical structure. However, note that a Foundation can also act as trustee of a private trust in place of a PTC, thus greatly simplifying the structure.
